## Media Release

Participant Name (Printed)

I give permission to be recorded, photographed and/or videotaped by or for NASA or its representatives. I further give permission to NASA and its representatives to use, reproduce, prepare derivative works, publish, distribute to the public, perform publicly, and/or publicly display the materials, including excerpts and any ancillary material, which include my name, affiliation (educational institute/company), image, voice, and/or likeness. NASA may distribute the materials, including excerpts therefrom, and any ancillary material through a variety of media in existence now or in the future, including but not limited to print, television, websites, radio, or any other means. NASA may also permit a third party to exercise NASA's rights, including but not limited to the right to display or distribute the recording, including excerpts therefrom, and any ancillary material, in any manner NASA deems appropriate.

I also understand that this permission to use my name, image, voice and/or likeness in such materials is not limited in time and that I will not receive compensation for granting this permission.

I acknowledge that NASA has no obligation to use my name, affiliation, image, voice, and/or likeness in any materials produced by NASA, but if NASA so decides to use them, I waive the right to inspect or approve any such use.

I hereby unconditionally release NASA and its representatives from any and all claims and demands arising out of the activities authorized under the terms of this agreement.

**I represent that I am at least eighteen (18) years of age.**
